LEPTOSPIROSIS CARD

I work near water and may have Leptospirosis / Weils Disease / Hardjo Form

Symptoms:

- Flu-like illness
- Severe headaches
- Vomiting + muscle pains

What to do:

- Immediately report any illness to your doctor and follow instruction
- Explain that you work near water & you are at high risk to Leptospirosis
- Report illness to your employer as a serious illness under RIDDOR 2013

If you are ever concerned, please speak to your GP or a health professional.
